AGREEMENT OF ISSUANCE OF STREET CUT PERMIT

This is an Agreement made on 8/30/2016 between the City of Harrisburg, Office of the City Engineer ("City") and UGI Utilities, Inc. ("Permittee") for the issuance of a Street Cut Permit.

In consideration of the mutual obligations undertaken herein and intending to be legally bound, the parties hereby agree as follows:

1. The City hereby agrees to grant a permit, by and through the Office of the City Engineer, for the opening and cutting of the street pavement at the premises known as 647 S 23rd Street, Harrisburg, PA.
2. The Permittee agrees to pay the just and full fees listed below for issuance of this permit.
3. As a condition of issuance of said permit, Permittee agrees that within six (6) months after permit issue date, to restore the above described premises to the same good order and repair which it was prior to the opening and cutting thereof, and to maintain the same for a period of two (2) years from the date of such final restoration, subject at all times to the approval and acceptance of the City.
4. As a further condition to receiving the permit the Permittee agrees to pay or cause to be paid the total costs of any and all work necessary to restore and maintain said street(s) as described herein. Should Permittee fail to do so, City shall have the right to perform or cause to be performed such work, and Permittee agrees to pay the costs of all work necessary to restore and maintain said street(s) within thirty (30) days after any bill therefore has been submitted by the City.
5. It is understood and agreed by all parties involved that the Permittee is responsible to understand and conform to all O.S.H.A., State and City Regulations including but not limited to trenching and shoring and has received, read, understands and will abide by the City's Standard Specifications, as revised, and the City of Harrisburg Workplace Violence Policy, as amended.
6. This permit or license may be suspended or revoked at any time by the Mayor or designee if it is determined that the holder of the permit or license secured the same by misrepresentation; failed to maintain qualifications required by federal, state or local laws; engaged in fraudulent behavior or misleading advertising; consented to or allowed any behavior which would constitute a crime under federal, state or local laws, including but not limited to drug trafficking or drug possession; committed an act of gross negligence, or allowed any manner or form of public nuisance. (Executive order 1-2002)

0600-343-02 APPI FEES:	\$50
0600-343-02 INSP FEES:	\$60
0600-343-02 SUPL FEES	\$0
0600-343-03 DEGR FEES	\$0

AGREEMENT OF ISSUANCE OF STREET CUT PERMIT

This is an Agreement made between the City of Harrisburg ("City") and the applicant named above ("Permittee") for the issuance of a Street Cut Permit. In consideration of the mutual obligations undertaken herein and intending to be legally bound, the parties hereby agree as follows:

1. The City hereby agrees to grant a permit, by and through the Office of the City Engineer, for the opening and cutting of the street pavement.
2. The Permittee agrees to pay the just and full Street Cut Permit Fees for issuance of the above described permit.
3. As a condition of issuance of said permit, Permittee agrees that within six (6) months after permit issue date, to restore the above described premises to the same good order and repair which it was prior to the opening and cutting thereof, and to maintain the same for a period of two (2) years from the date of such final restoration, subject at all times to the approval and acceptance of the City.
4. As a further condition to receiving the permit the Permittee agrees to pay or cause to be paid the total costs of any and all work necessary to restore and maintain said street(s) as described herein. Should Permittee fail to do so, City shall have the right to perform or cause to be performed such work, and Permittee agrees to pay the costs of all work necessary to restore and maintain said street(s) within thirty (30) days after any bill therefore has been submitted by the City.
5. It is understood and agreed by all parties involved that the Permittee is responsible to understand and conform to all O.S.H.A., State and City Regulations including but not limited to trenching and shoring and has received, read, understands and will abide by the City's Standard Specifications, as revised, and the City of Harrisburg Workplace Violence Policy, as amended. (Copies are available at the Office of the City Engineer)
6. This permit or license may be suspended or revoked at any time by the Mayor or designee if it is determined that the holder of the permit or license secured the same by misrepresentation; failed to maintain qualifications required by federal, state or local laws; engaged in fraudulent behavior or misleading advertising; consented to or allowed any behavior which would constitute a crime under federal, state or local laws, including but not limited to drug trafficking or drug possession; committed an act of gross negligence, or allowed any manner or form of public nuisance.
